

green mango hair design
organic salon

live life simply, so others may simply live

green mango hair design

Portsmouth and Southsea's first organic salon,
using only quality organic brands.

our range

PHYTO bringing the most potent active ingredients from the botanical world to your hair.

(Phyto)therathrie - the science of hair care through plants.

MOP (Modern Organic Products) is the evolution of products creating simple solutions in co-operation with nature.

Taylor Mackay Organic Colour Systems
(optional colour house available)

By using these products we actively reduce the impact of harsh chemicals on the environment and your health.

Professional and friendly, both our stylists and technicians are trained to the highest standards in all aspects of organic hair care.

green mango hair design is about a way of life

from the moment you arrive

you will forget the stress and tension of your day.

a simple but sophisticated approach,

a space where you can relax and be pampered,

without a compromise to you or the environment.
